

Declaration of compliance with the obligations arising from Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)  
(SVHC substances in concentrations above 0,1 % of a mass fraction).

In accordance with Article 33, paragraph 1, of Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), BENEŠ a LÁT Ltd. is obliged to inform customers about defined chemical substances contained in its products, whether manufactured in the EU or imported into EU Member States.

BENEŠ a LÁT Ltd. is obliged to provide sufficient information on a product containing substances meeting the criteria of Article 57, which have been detected there in accordance with Article 59, paragraph 1, in concentrations above 0.1% of a mass fraction, to enable the safe use of this product.

Following our above responsibilities, in the process of identifying SVHC substances we have:

- evaluated available technical data related to the presence of SVHCs in our products or their components
- communicated with our suppliers to exclude or confirm the presence of SVHCs in any component of our products.

Based on the results of this procedure, we confirm that the products we currently supply to the market do not contain any SVHCs in concentrations above 0.1% of a mass fraction.

BENEŠ a LÁT Ltd. is committed to continue to meet the requirements of Directive 1907/2006/EC (REACH) and to inform customers about changes in products.
